DATA PROTECTION POLICY

In order for us to process your holiday booking, the information you give us such as name, address, any special needs/dietary requirements etc. will need to be passed to the relevant suppliers of your travel arrangements both in the UK and overseas. It should be noted that some countries may not have the same controls over data protection as the UK. By asking us to arrange your holiday and signing the booking form you consent to this information being passed on to the relevant persons. We will hold your information and may use it to inform you of any special offers or send you brochures in the future.

If you do not wish to receive such information please tick this box ☐
